band of ermine, full six inches wide, that ing them. The plain fur muffs are a oLD WHALER'S SERMON. encircled the skirt.

band of crimine, full six inches wide, that the bodice was ermine and opened at the beft shoulder and under arm seam. Over this there was a short belero of black velvet, embroidered clahorately with black velvet ribbon and silver braid. The sleeves were close-fitting coat sleeves of the cloth, mounted by lapels of the velvet. Mounted by lapels of the velvet mounted by lapels of the velvet mounted by lapels of the velvet mounted by lapels of the velvet. There was a tail flaring collar of ermine that was extremely becoming to the weare's fresh brunctte type of face. The high-draped girdle was effort velvet and was finished at the back with a chie butterfly bow.

With this gown was worn the jaunitest little can of ermine, creased at the middle, with two mink tails standing up directly at the back.

One of the translate of the red cloth gowns I noticed was trimmed in black velvet.

SHORT SKIRTS.

The skirt was short, moderately wide godet, close-fitting at the high, with the box-platts. Each seam of the skirt was covered with black silk passementerie.

The bodice was of red cloth, tight-fling and round, with a narrow band of black velvet around the fostiom.

It opened at the front over a narrow demine the of white broadcoth, embroidered in gold threads. The broad revers and high Medici collar were of black velvet around the fostiom.

It opened at the front over a narrow demine the first of the siler was a thing bands followed the front of the waste where it fastened. The sleeves were close-fitting cant sleeves, with the waste where it fastened. The sleeves were close-fitting coat sleeves, with the waste where it fastened. The sleeves were close-fitting coat sleeves, with the waste where it fastened. The sleeves were close-fitting coat sleeves, with the waste where it fastened. The sleeves were close-fitting coat sleeves, with the panted of the coat and two fits the coat sleeves, with the waste where it fastened high. At the close of the mounts are the same of the sline was a timple to make the cloth with the mall s at the Side, Play an Important Part.

SHORT SKIRTS.

The skirt was short, moderately wide gode, close-fitting at the hips, with the fulness at the back laced in two flat box-platts. Each seam of the skirt was box-platts. The bodice was of red cloth, tight-fitting at the front of the skirt was short the product revers and two expectates the fact that the enthusiast was slab and of ermine and a waist where it fastened. The sleeves were close-fitting coat sleeves, with the portrant gallery. The sale was a band of ermine and a tight-fitting wast to red cloth with ermine the found the fitting out trinn ing at all and decidedly short the planted skaier wears a tiny fur toque and curries a must considerably bigger with a portrant at the portrant show many years of the portrant at the portrant show many years of the protrant all end ecidedly short the full to the shirt was shear of the skirt was shear of red cloth, tight-fitting at two the full each shirt was shear of red cloth, tight-fitting and round the feet is another requisite. The sale wast in her portrant at the portrant show many years of the curries a must be seen in her portrant at the portrant show many years of the feet is another requisite. The sale was in her portrant at the portrant show many years of the curries at must be seen in the portrant at the portrant show many years of the curries and progress of the shirt was shear of red cloth. Light-fitting waster was a laborate was a band of ermine and a tight-fetting was
